

Mini Arts Fest™

A Gathering for Arts, Business & Community

Road Trip To Blanco!

Mini Arts Fest is an outdoor popup event featuring local vendors, artists, handcrafted goods, and boutique items. These events are created to be fun for the whole family so we will always include free entertainment and activities. Food services and beverages will be available on site from the Uptown Blanco Restaurant and staff. We aim to select a variety of artists, dreamers, and creatives along with a few local businesses for a unique shopping experience!

- **We invite roadtrippers, car clubs and enthusiasts to take a fun self guided road trip to Blanco and enjoy the Mini Arts Fest at the Uptown Blanco Courtyard.**

Beyond Uptown Blanco and the Mini Arts Fest you'll also find the quintessential Blanco town square, Buggy Barn Museum, Oro Bianco Creamery, Echo Gallery, Blanco State Park, Johnson City, LBJ State Park and Historic Site, The Science Mill, Texas Vintage Motorcycle Museum and So Much More..., **Let's Road Trip!**

- **Be sure to take some of the backroads so you can share a bit of your story** with others and maybe even a member of our creative video team. If you can rally up a few of your friends for a drive to join us, we'd love to include your story in one of our videos - so be prepared to be in the spotlight. Of course you can always opt out of this, but **If you bring some folks to our events, we'd love to promote you too!**
- **While this is NOT A CAR SHOW, we know you love road trips and we love cool cars so let's connect to help each other by celebrating all the creatives that drive our economy.**
- **Great cars are great works of art!** While the average person may not realize this, we know as fellow enthusiasts that your car represents an amazing piece of world class art and is also an investment in the arts! Candidly we want to talk about this and celebrate the importance of art in our economy and lives. Having car enthusiasts join us on our mission will give us the opportunity to connect on common ground. Your passion for cars goes hand in hand with our passion for the arts and others who we know will appreciate your stories. **Ultimately, we like to create gatherings that bring creative people together!**

We believe the Arts Drive the economy and would love to have your help in telling this story.
